Treasurer: Rick Robertson
Secretary: Ernie Josche

A Mini-Lingo for August!

Opening Thought

No update from the President, and I'm your Booth Chairman, so I choose to publish a one-page Mini-Lingo this month.

Lion Tad Barnes

Festival Update

Festival Setup

As you know the Lions Club Festival is just about upon us. Before you know it, we (you included) will emptying the trailers and putting up the electrical and lights (Sunday, 14 Aug starting @ 7:00 AM).

Then we will be putting up the booths and fine tuning the festival setup -- Monday, Tuesday, and Wednesday starting at 6:00 PM. Wednesday is also the traditional Watermelon and Cantaloupe snacks as we tell last minute stories of what has happened in years past, and how we will make it better this year!

Then it Festival Time! The Festival starts at 5:00 Thursday and Friday. The Parade is at 4:00 Saturday, and the Festival will start immediately after the band plays some music at the school grounds. Remember to bring your goodies for the cake wheel each day.

Booth Chairmen and Chairwomen

Please remember to contact all your people and make sure you are ready for the festival. If you need any help, or have anyone that wants to change jobs, please let me know. -- Thanks.

I am using previous year's numbers for volunteers needed for each booth. Lion Gregg Sparks is working closely with the coaches, band leaders, and others to ensure we have our student volunteers. I'm taking it from there to make sure you have your help. If there are problems, blame me, not Lion Gregg.

Please come to our August 11th Festival Meeting.

Other News

Meeting Times

Meeting Time: The question has been asked and the Lions are roaring (or at least responding). Currently the meeting time is running about 3:2 to change it from the current time to 7:00. This has to be run through the Lions Board, and official word will be coming via their recommendation and final approval from the club membership.

Questionnaire

If you still have not submitted your questionnaire from the July Lingo, please do so. The more responses we have to the meeting time and other questions, the better we can meet your needs, as well as the communities. We especially need to know how you want the Lingo delivered -- e-mail vs US Post Office.

Dues

As noted in July, dues are \$65 this year. After we pay our Lions International and other mandatory commitments per individual, the club makes a whopping \$3 per person. We must make payments this month, so please pay your dues early. Thanks from your all your Lions Board Members.

Sick Call

Our sick call list remains pretty extensive. Thoughts, prayers, cards and calls are appreciated by everyone on the list. If you know of someone that needs to be added, please let either Lion Ernie Josche or me know. I do not know of any additions this month, so please refer to the July Lingo for the current list.

Closing Thought

Hope you're having a GREAT Summer. *Lion Tad*
