On Wednesday, 18 June 2014, the Bellbrook Lions and Lionesses hosted our Officer Installation Dinner. This was a great dinner and we started by inducting our Latest **Lion, Adam Remaly**. Lion Adam recently

retired from the Air Force; however, he has been a member of the community for several years, living in Sugarcreek Township.

I never introduced **Lion Brad King** via the Lingo.

Lion Brad was brought on earlier this year, and his wife Annette is also interested in becoming a Lion and has attended two functions to date. She will complete her commitment at the festival, and we can look forward to bringing her on this fall.

Back to the Installation Dinner. Our New Board of officers is as follows:

President:	Lion Kirk Barrett
1st Vice President	Open – Still Looking
2nd Vice President	Lion Linda Worthington
3rd Vice President	Lion Tim Seitner
Secretary	Lion Ernie Josche
Treasurer	Lion Rick Robertson
Lion Tamer	Lion John Baldino
2nd Year Directors	Lion Steve Morgan
	Lion Jack Moore
1st Year Directors	Lion Dodi Morgan
	Lion Carolyn Cuzzort
Membership Chair	Lion Tad Barnes
Immediate Past Pres	Lion Gregg Sparks
Lioness Liaison	Lion Walt Worthington (Non-Voting Board Member)

Fun was had by all at the Festival Dinner. Good Fellowship and Fun while getting business done.

Note: Several tables have adopted the practice of having wine and beer at their tables for dinner meetings. They seem to be the popular ones to sit at.

It is hard to believe that another year has gone by and it is now time for me to take on the leadership role in the club. When I first got into the rotation it seemed that this day was so far off it would never get here. Now, not only has it arrived but the festival is only a week away as well. I am looking forward to the challenge of the coming year and hope that all of you are as well. This club runs on the efforts of all of its members and I am going to need to rely on all of you to help me in the coming year maintain this club as one of the most active clubs in the district.

My plans are to have at least one interesting guest speaker at the first meeting of the month every other month. We started that process with a presentation at our July 2nd meeting by Jessa Kenworth, a representative of 4Paws for Ability out of Xenia, a nonprofit that raises service dogs for both physically challenged and mentally challenged children and adults. It was a very interesting presentation that generated a lot of interest and questions from our membership. I have another speaker already lined up for our September meeting but I would like input from the membership as to other speakers or topics that you would be interested in for future meetings. If you know of

anyone who has an interesting presentation or have a topic you would be interested in hearing about, please let me know.

As I mentioned previously, the festival is but a few short weeks away and will be here before you know it. This is always a large undertaking and we need all the help we can get to pull it off. We need additional adults to help in booths that teens aren't allowed to help at. This is an opportunity to get some of your friends and colleagues who aren't members to experience the club and possibly become interested in joining so please ask around and see if you can get a friend or two to volunteer to help. If we can all get just one friend to work for one night it would make the festival a whole lot easier to pull off.

Another plan of mine is to have shorter, more concise business meetings followed by a social gathering for those who wish to stay and exchange ideas and talk about whatever they like. This would also be an ideal time to get some adult beverages flowing and maybe a game or two of euchre might break out.

In closing, I want to emphasize that this club runs on the efforts of all of its members and is only as good as we all make it. I am looking forward to a great year ahead and hope you will all come along and enjoy the ride with me.

Meetings:

Passing of a Lion: Daniel Dircksen

By Lion John Dorn:

On July 16th, the Bellbrook Lions Club lost a very important and dear friend. Dan Dircksen lost his two-year battle with cancer. He was a valuable Lion's Club member for over 30 years.

As a Lion, Dan was very active in the Boys and Girls Committee. He coached many teams in our Baseball, Softball and Basketball programs. He had an envious ability of getting the most talent from each child and managed to create a fun environment at the same time. He was well respected by all his players and fellow coaches and those who coached against him.

In the early 1990's, his industry moved to Columbus. He had no choice but to move his business there and made the long weekly commute. He regretted that his involvement in

the Lions Club suffered, but he was still active in Youth Sports, and never missed "Festival Week" working tirelessly at the Ham and Blanket Wheel.

Dan was one of the founding fathers of Soccer in the Bellbrook/Sugarcreek area. For many years; in addition to his coaching in the Lions Club programs, he organized coached and refereed soccer through the S.A.Y program. He was one of several key individuals who cleared the way to have soccer become a Bellbrook High School Sport. As a Bellbrook Athletic Booster he worked diligently and would take on any project necessary to make Bellbrook Sports better. He was also a wonderful friend of the Bellbrook/Sugarcreek Park District.

One year in late July we realized someone had stolen all of our soccer goal posts, and most likely cashed them in for scrap metal. We were in a frantic situation with the season to begin in a few weeks. The soccer association hadn't been established long enough to have money to replace them, and the park district hadn't been born yet. We went down to Dayton Metals and found enough pipe to build the goals we needed. Dan personally paid the entire bill.

Dan is survived by Debbie, his wonderful wife of 45 years, three sons, a daughter, their spouses, and nine grandchildren. Dan is now looking out for us from above, and his memory lives on with children playing sports and having fun with friendly competitions.
