The President Message

By Lion Kirk Bennett

The 2014 Bellbrook Lions Festival is now history and I would like to thank all the Lions members and non- Lion volunteers who made this a qualified success. I say "qualified" because as you all know by now, the weather on Saturday did not seem to want to cooperate with us. The weather on Thursday and Friday was ideal and it looked like we were headed to a near record event with the forecast on Saturday to be a good one.

Unfortunately, Mother Nature didn't read the forecast and the rain started the minute the parade did at 4 PM and did not let up until almost 8 PM. By that time the crowd thinned down and it looked like it was going to be a total washout. Thankfully, the hardy Bellbrook area residents and staunch Lions supporters in the community came back out and helped us salvage a decent Saturday. As of this writing, we are still compiling the results and will let you know when they are done.

This year I was able to turn over a lot of the Big Food Tent responsibilities to Lion Craig Gatzulis and Lioness Marge Baldino; which gave

me free time to walk the grounds and talk with some of the people attending and enjoying the rides and games. After seeing the joy on many of the younger children's faces and watch as they played the games and rode the rides, I came to the conclusion that we are doing a lot of things right and that we are making a positive difference to the community. However, that doesn't mean that all is well.

After talking with several other Lions members and discussing the current direction of the Lions Festival with community leaders, it may be time to take an honest look at the makeup of the festival; and look at changes that can be made to it in future years. I believe that it is an asset to the community and many in the community love it and look forward to it. However, that doesn't mean that we can sit by and offer the same product year after year and continue to be successful. I am asking for your help in the planning of next year's festival. If we start now and look at potential changes, we can get the ball rolling so that next year we can offer an improved "product" that will make the Lions Club and Bellbrook proud, as well as helping keep our organization financially viable.

Festival Wrap-Up

Festival Wrap-Up is tomorrow, 10 September, 7:30 PM at the Lion Center. Our president, Lion Kirk is asking for maximum participation of what was good, and what needs to be improved.

Major Prizes (\$10,000 Raffle) is sure to be a topic of discussion. We

have had declining revenue on this for the past several years, as we lost a couple Lions that sold the "Lions Share" (pun intended) of the tickets. Now that they are gone, we all must step up and do our part – more about this on the next page, which provides a full breakout of this individual fundraiser.

Festival Appreciation Dinner

Friday, September 27th is the Festival Appreciation Dinner at Lion Gregg Sparks "Party Barn."

We decided to change the format this year, making it a true appreciation dinner. We are providing the main dish at no cost with the choice of either Pork Chops (festival style) or Chicken. Sides will be provided too. However, if you have a favorite you want to share, feel free to bring it. Sweet and Un-Sweet Tea (Two if By Tea) will be provided from what was not sold at the Festival too, as well as water. As for "Adult Beverages," you are welcome to Bring Your Own. Last year we had a fire, and I recommend having Bug Spray on

hand if you wander into the grassy areas.

Ensure any Non-Lion Festival Helpers you invited are invited to the Appreciation Dinner too.

Now for the Important Information:

Major Prizes; aka \$10K Raffle

This one of our key fundraising activities at the annual festival. Over the past several years, ticket sales have continued to decline. While we believe we lost approximately \$500 in sales on Saturday (due to the weather), we were down over \$1,000 from last year, and about \$3,500 from four years ago.

Sold In Ticket Booth	<u>\$1,853.00</u>
